

## Hunting and Christmas are Chamber Topics

The quarterly meeting of the Eureka Chamber of Commerce was held on Monday, September 19 at the Information Center.

The Chamber sponsored citywide rummage sale in June went well.

Organization reports:

The main order of business for the city is weighing options for a new well to supply the lake. The street east of the school will be allowed to settle, and will be redone after the winter.

The Fire Department is selling raffle tickets for a gun and a quilt, and drawings will be held at their annual Steak Fry on October 15.

Schmeckfest went well although there were lower numbers for some of the events. The group would like new ideas and new members.

Eureka Development is willing to do the Hunter Bags if Chamber wants them again. Software has been received for the electronic billboard and members will be attending training to use it.

New Business:

If bags can be ordered and received in time, Hunter Bags will be made available for hunters.

The Christmas Treasure Chests drawings will be held on December 17 at 2:00 PM, and everything will be purchased from participating Eureka Chamber business places.

The next meeting will be January 16 at 7:00 PM at the Information Center.
