

What's Developing

The Eureka Community Development Company holds an annual meeting. This year it will be on Thursday, March 27 at 7:00 PM at the Eureka Senior Center.

This is a time for those who have a membership in ECDC, as well as the general public, to learn about work done during the past year, present projects, and future plans.

This year's meeting will be one of the most diverse hosted by the organization. The highlight will be the featured speaker for the evening – Brian Bowker, CEO of Northwest G. F. Mutual Company.

There will be a special presentation by Monsanto to the Eureka Community Beautification Company.

The Eureka Ambassadors from the Community Action sessions will be present and give updates on projects in which they are involved.

There will also be a business meeting. The public is invited to attend the entire evening, however only those with an ECDC membership will be eligible to vote should there be any issues that need a vote.

Membership is made through a one-time lifetime membership payment of \$50.
