

## What's Developing

If you are involved in the lodging industry in Eureka, please check the Housing section of the Eureka website at [www.eurekasd.com](http://www.eurekasd.com).

New categories have been added and updates have been made. People all over the world have access to the site and it is very important that the information is correct. If you have any corrections please contact the Eureka Development office at 605-284-2130 or email at [ecdc@valleytel.net](mailto:ecdc@valleytel.net).

Categories in the Housing section now include: Motel, Houses for Sale, Apartments, Year-Round Rentals, Limited Stay Housing – By the Day, Week or Month (hunters, construction workers, family functions, etc.) and Camping.

Corrections for any area of the website or items to be placed on the calendars can be done at any time.
