

What's Developing

There are businesses in Eureka that need employees. There are people in town who would like a job but don't know what is available and where to apply.

In an effort to get these people all together in the same place at the same time, a Job Fair will be held. It will be on Saturday, November 22 at the Eureka multipurpose room. Hours have not yet been set. Tables and chairs will be available for each business that is represented that day.

Even if a business has no openings at the current time, but know there will be an upcoming need for employees, this would be a good day to also get that message out to potential future employees.

The Job Fair is being sponsored by the Eureka Community Development Company. To reserve a spot for your business, contact the office at 284-2130 or ecdc@valleytel.net. There will be no cost to businesses or job seekers.
