

What's Developing

The Eureka Community Development Company has teamed up with V. J. Smith to again bring an evening of entertainment and learning to the community.

Following Smith's presentation on Customer Service and Hospitality in December, feedback was great to bring him back again. Passing along the invitations to return and comments about a future topic, Eureka Development was delighted when Smith said he would be glad to come back.

The general topic of "Listening" will be on Tuesday, September 8 at 7:00 PM at the Wolff Den. The title of the presentation will be "Replenishing the OhZone". Admission is free.

Listening is something that everyone does. Therefore, it will be a topic that applies to everyone.

Whether you are a business person, professional person, retired, a student, or some other category, give yourself an entertaining evening and learn some listening skills. These evenings do not happen often, so take advantage of the opportunity to hear a truly outstanding speaker.
