

What's Developing

Who should attend the Eureka Community Development Company's annual meeting? Anyone new to town should attend. Members should attend. Those who would like to see Eureka continue to grow and thrive should attend. Those who have ideas to share should attend.

If you fit into any of those categories, please consider yourself cordially invited to attend that annual meeting on Monday, March 23 at 7:00 PM at the Wolff Den.

You will be able to hear what the organization has done over the past year. In addition, there will be short reports from two businesses in Eureka.

There will be a time for listening and learning. There will be even more time for sharing and planning.

And to round out what promises to be a really great evening....there will be a variety of refreshments served.
