

What's Developing

The "Recruit" Action Planning group has added more people to their core group, and will be contacting local businesses to determine workforce needs through the next 5 years. Each of those volunteers will ask the same 5-6 questions of each business. After that process has been completed, the accumulated data will be given to the Eureka Community Development Company and the next phase will proceed.

The "Involvement" Action Planning group will hold their initial meeting on Thursday, May 28 at 7:00 PM at the Information Center with facilitator, Holly Hoffman. The group will narrow down the list of ideas given at the ECDC annual meeting and decide on future steps to be taken. Those interested in working on involvement are invited to join this meeting.

"The Golden Rule" Action Planning group will meet in June, and that date has not yet been set.
