

Gov. Daugaard Speaker at Annual ECDC Meeting

The Eureka Community Development Company will celebrate 30 years of serving the people, businesses, and organizations of Eureka with a gala event on March 15.

Governor Dennis Daugaard, a strong proponent of economic development in South Dakota, will be the keynote speaker. He will be accompanied by his wife, Linda.

The evening will begin with a catered German meal by Vicki Lapka at the Wolff Den from 6:00-7:00 PM. Members of FCCLA will help to serve the meal. This is a members-only meal (except for invited guests) so in order to attend a membership must be held in ECDC. This lifetime membership may be purchased at the ECDC office for \$50.00. Those who wish to attend the meeting-only portion of the evening may attend at 7:00 PM.

Entertainment will be provided by a group of talented high school students, and Dennis & Margie Walker and Pam Kilmer. People and organizations throughout the state have been invited to the annual meeting and will be recognized for their contributions to the successes that have happened in Eureka. Door prizes will be given away during the evening.

The Eureka Community Development Company Board of Directors has been working diligently to put together an evening of celebration and fun. The community is invited to attend this special evening highlighting the past 30 years of economic and community development in Eureka.
