

### What's Developing

This column is for those who run day cares or are thinking about such a venture. GROW South Dakota is based in our region and works with economic developers in many communities. They are offering a special 3% loan right now for day cares.

“GROW South Dakota is providing 3% loans, up to \$50,000 to South Dakota day cares. There is a limited number of funds available, to qualified applicants, at the 3% interest rate. The special rate will be on a first come, first serve basis until all of the funds have been committed. Call 605-698-7654 to speak with a loan officer.”
