

What's Developing

The Eureka Community Development Company is hosting the Build Dakota Road Show on Tuesday, November 7 at 2:00 PM at the Eureka School Gym. This is a unique opportunity for Eureka's students, parents, businesses, teachers/administrators, counselors, and those involved in economic development.

Those who attend will learn more about technical schools in South Dakota, the Build Dakota scholarships, and how local businesses can partner with technical schools to provide future employees. Learning about strategies to build local workforce will be a part of the presentation.

Speakers will be Deni Amundson, Program Manager of Build Dakota Scholarship; Shane Swenson or Julie Stevenson, Lake Area Technical Institute; Chellee Nemec, Southeast Technical Institute; and a representative from the SD Department of Labor and Regulation who will be available for questions.
