

## What's Developing

The Eureka Community Development Company is teaming up with GROW South Dakota, Small Business Development Center, Rural Development, and Small Business Administration to offer a free workshop in Eureka.

“Get Your Business Online with Google” will happen on Wednesday, June 21 at the Information Center. A free lunch will be available from 11:45 to 12:00, with the workshop from noon to 1:00 PM. Lunch will still be available for those who cannot be present until 12:00, and they can eat while the workshop is in progress.

Did you know that businesses are twice as likely to be considered reputable when they have complete business online?

At this workshop, learn from a Google expert how to create a free online business profile, ask questions, and get hands-on help from Kelly Weaver of the Small Business Development Center.

Both the workshop and the lunch are free with all costs covered by the sponsors.

Pre-registration is required so sufficient space and food are available. Register online at <http://tinyurl.com/mzbajzt> or by phone at the ECDC office at 605-284-2130.
