

## What's Developing

Many housing opportunities are available to individuals or groups. Here is one of them: Whether it is for a new roof or a new bathroom, landlords looking to improve their properties have a great opportunity. Rental property owners can receive up to \$15,000 in matching funds to **renovate their single-family properties** under a program operated by the Northeast South Dakota Economic Corporation (NESDEC). The financial support will be in the form of a forgivable loan. For details contact GROW South Dakota at 605-698-7654.
